Re: AK Steel Kansas City Facility
HSWA Corrective Action Permit
Permit Number MOD 007 118 029
Notification of Modifications in the SWMU 25 and 26 Area

Dear Mr. Spratlin:

In accordance with Part II, Section XIA of the Permit, AK Steel is providing notification of modifications made at portions of the Facility covered by Permit MOD 007 118 029. AK Steel became aware of the sale of portions of the Compass Big Blue LLC property to House of Burgesses, LLC, whose mailing address is located in St. Joseph, Missouri. Public records indicate that the property transferred on April 29, 2005. It is believed that the property sold included the Rod Mill, which contained SWMUs 25 (Roll Shop Drum Storage Area) and SWMU 26 (Rod Mill Drum Storage Area). Building construction was noted in this area during a recent site visit. In particular, it appeared that a concrete slab floor has been poured in the areas formerly occupied by SWMUs 25 and 26.

If you have any questions regarding this notification, please contact me at (513) 425-2289.

Sincerely,

Carl Batliner
General Manager Environmental Affairs
